## ACTIVITY REPORT

Name of the Activity	Introduction to English alphabets and simple English words	
Type of Activity	Language and communication skill Development program	
Date and Time of Activity	17/07/2023	09.30 am to 12:30 pm
Details of Participants		
Resource Person	Mr.Sandesh Ghodke	
Description	<p>SBNM'S Mauli Nursing College hosted an enriching Language and Communication Development Program, with a specific focus on "Introduction to English Alphabets and Simple English Words."</p> <p>The initiative aimed to foster linguistic proficiency among students and improve vocabulary, emphasizing the importance of English language competence in the Nursing context.</p> <p>The program commenced with a comprehensive introduction to English alphabets, providing students with a foundational understanding of the script. Practical exercises allowed participants to practice writing and pronouncing the alphabets, facilitating a hands-on learning experience. The session seamlessly transitioned into the exploration of simple English words, enabling students to construct basic sentences and engage in day-to-day conversations.</p> <p>The resource person, a seasoned expert in English linguistics, delivered an engaging presentation, employing interactive methods to make the learning experience both enjoyable and informative. Attendees actively participated in language drills and conversational exercises to reinforce their understanding.</p> <p>the principal of Mauli Nursing College, expressed gratitude to the resource person for their invaluable contribution to language development. A felicitation ceremony ensued, during which the principal acknowledged the resource person's dedication to promoting linguistic excellence among students. The event underscored Mauli Nursing College commitment to holistic education, ensuring students are proficient not only in their professional domains.</p>

Date and Time of Activity	19/08/2023	09.30 am to 12:30 pm
Details of Participants		
Resource Person	MS. Ashwini Gardhane	
Description	<p>SBNM'S Mauli Nursing College organized a significant "Analytical Skill Development Program" focused on "Ethical Principles of Research and Grasping the Ethical and Regulatory Processes in Human Research." The program aimed to cultivate a profound comprehension of ethical considerations and regulatory frameworks in the conduct of research, especially in the realm of human studies.</p> <p>The initiative began with a thorough exploration of the ethical principles governing research, stressing the significance of honesty, respect for participants, and adherence to ethical guidelines. The resource person, an authority in research ethics, led participants through the ethical and regulatory aspects inherent in human research, ensuring a comprehensive understanding of key principles like informed consent and safeguarding participants' rights.</p> <p>Interactive discussions and practical case studies provided attendees with opportunities to apply ethical principles to practical research situations, fostering a heightened awareness of ethical responsibilities. The resource person's presentation highlighted the critical role of ethical considerations in maintaining the credibility and reliability of research findings.</p> <p>The principal of Mauli Nursing College, expressed appreciation for the resource person's indispensable contribution to analytical skill development. A felicitation ceremony ensued, during which the principal recognized the resource person's commitment to enriching students' comprehension of ethical research practices. The event underscored Mauli Nursing College dedication to nurturing not only analytical acumen but also a robust ethical foundation in Nursing research endeavors.</p>

## ACTIVITY REPORT

Name of the Activity	Clinical application of bioethics in Nursing	
Type of Activity	Human Value Development	
Date and Time of Activity	10/07/2023	09.30 am to 12:30 pm
Details of Participants		
Resource Person	Mr. K Shyamkumar	
Description	<p>The SBNM'S Mauli Nursing College recently hosted an enlightening session on the "Clinical Application of Bioethics in Nursing" as part of its Human Values Development program. Esteemed experts in bioethics and healthcare were invited to share their insights on the ethical considerations that guide decision-making.</p> <p>The event underscored the pivotal role of bioethics in navigating a framework to approach these dilemmas thoughtfully and compassionately, guiding nurses to make decisions that align with ethical standard. Speakers elucidated the principles of autonomy, beneficence, non-maleficence, and justice, emphasizing their practical application in clinical scenarios. Discussions delved into issues such as patient consent, end-of-life care, and the ethical implications of emerging medical technologies.</p> <p>The resource person was felicitated by the college principal for their invaluable contribution to the understanding of bioethics in a Nursing context. The principal highlighted the imperative of instilling ethical values in future healthcare professionals, fostering a culture of compassion and responsibility.</p> <p>Attendees, including students and faculty, engaged in a vibrant exchange of ideas, leaving the event with a heightened awareness of the ethical dimensions of nursing practice. The Human Values Development program continues to serve as a cornerstone in cultivating not only clinical proficiency but also ethical discernment among aspiring healthcare practitioners.</p>
